At 11:00 am on Thursday, July 1, 2010 all bids received will be recorded. The successful bidder will be notified within 24 hours of the bid openings. A 10% deposit may be requested to be delivered to William H. Lock & Associates, Inc. within 72 hours of the bid opening. The balance of the sales price is to be delivered at the sale closing which should occur on or before July 30, 2010. The seller reserves the right to refuse or accept any and all bids. Seller will consider all bids. The seller will be responsible for the timber deed preparation and forestry consultant fees. The buyer will be responsible for all other closing costs. A \$2,000 performance deposit will be payable at closing and held in a non-interest bearing trust account until satisfactory completion of logging. The performance deposit does not limit the buyer's liability.

PLACE OF SALE:

The timber sale will be held at the office of William H. Lock & Associates, Inc. in Greensboro, NC. The office address is 7325 D-2 W. Friendly Avenue, Greensboro, NC 27410. Telephone and Fax: 336-632-9088; [Email-whlock@whlock.com](mailto:whlock@whlock.com)

CONDITIONS OF SALE:

1. The Buyer shall have 24 months from the date of the timber deed to cut and remove all merchantable timber within the "Sale Areas". "Creek Buffers" have been marked with blue paint and are considered "no-cut" areas. No blue painted trees marking the buffer boundaries and no trees within the buffers are to be harvested. "OUT" areas have been marked with blue paint also. No blue painted trees marking these boundaries or trees within these boundaries are to be harvested. It will be necessary to cross through some of the "out" areas and creek buffers to access other "sale areas". This will be permitted but will need to be approved by WHL & Associates, Inc. during the preharvest inspection with the identified buyer. No additional monies will be required for the trees within these approved crossings.

2. The Buyer may access the tract from Stoney Mountain Road and/or Pervis Road. Stoney Mountain Road is state maintained but Pervis Road is private. Millpond, Inc. obtained the right to use this private road thru their recorded deed (DB 0200, Pg 02715). If Pervis Road is used, buyer agrees to maintain this road in similar condition during the entire harvesting operation as it is presently. The road must be kept open and passable at all times for regular automobile traffic. The gravel surface must be usable and

maintained with no rutting. No parking of trucks and/or other equipment will be allowed along Pervis Road that may block or impede automobile traffic. All other access routes will need to be installed and/or maintained according to all Virginia Best Management Practices. All existing roadways must be left in similar condition, reasonable wear and tear accepted, at the completion of the harvesting operation. Call W.H. Lock if questions concerning access routes.

3. The Buyer is responsible for maintaining a clean site. No equipment parts, trash, tires or other debris shall be left on the property as a result of the harvesting operation. It shall be the Buyer's responsibility to clean up any hazardous material or chemical waste spills including but not limited to Diesel Fuel, Hydraulic Fluid, Machine Oil, and/or Gasoline upon the subject property if they resulted from the harvesting operation. Responsibility will include any required remediation including but not limited to the removal of contaminated soils. Harvesting operations must not interfere with any farming operations. Decking, loading or hauling will not be permitted in any existing open fields or pastures immediately adjacent to the timber unless approved by William H. Lock & Associates, Inc. If approved, open areas must be free of logging debris, smoothed when completed, and re-seeded if necessary.

4. The Buyer is responsible for following all Federal, State, and local regulations regarding timber harvesting activities. Buyer is responsible for harvest notification required under Virginia law and for obtaining any other necessary permits or licenses required for timber harvesting. All logging operations must conform to Virginia Best Management Practices. In the event that a non-compliance situation is identified on the tract as a result of the harvesting operation, William H. Lock & Associates, Inc. will have the express right to suspend the harvesting operation until the situation is brought into compliance. No trees or other logging debris shall be left in or across the property boundary, sale cutting lines or access roads.

5. All property lines and corners are marked with pink flagging and were "side-chopped" from a previous survey. No flagged trees denoting the property and/or sale boundary shall be cut and no trees outside the boundary lines shall be cut. If trees marking the property lines or sale boundary are cut, Virginia timber trespass laws may apply. No trees shall be cut to fall on a neighboring landowner's property or where potential damage may occur. If existing property corners are damaged or removed as a result of the harvesting operation, Buyer agrees to replace the markers at the correct surveyed location at their own expense.

6. Buyer agrees to notify William H. Lock & Associates, Inc., P. O. Box 49571, Greensboro, NC 27419 at least 3 days in advance of the beginning of the harvesting operation and at least 3 days in advance of the completion of the harvesting operation.
